

## Material Safety Datasheet

# EBCABURST 200

### 1. IDENTIFICATION OF THE SUBSTANCE AND THE COMPANY

Product Name: EBCABURST 200

Identified uses: AUXILIARIES FOR TEXTILE WET PROCESSING.

Supplier Details: Egyptian British Co. | 2nd industrial zone Block no. 161-165 , 6th of October cit

Authorized contacts: (Tel.) +20238202202-5lines | (Fax.) +20238202020 | (Email) samer.samir@

### 2. HAZARDS IDENTIFICATION

Classification (EC 1272/2008): Physical and Chemical Hazards Not classified | Human health Not  
Classification (1999/45/EEC): Not classified.

Environment: Inert polymer : molecular structure is not biodegradable . Avoid release into the e  
Label In Accordance With (EC) No. 1272/2008: No pictogram required.

This product does not contain any PBT or vPvB substances.

### 3. COMPOSITION/INFORMATION ON INGREDIENTS

Emulsion of silicone defoaming agent with special emulsifier free of APEO

### 4. FIRST AID MEASURES

Inhalation: Move the exposed person to fresh air at once. Rinse nose and mouth with water, ge

Ingestion: never make an unconscious person vomit or drink fluids! rinse mouth thoroughly, ge

Skin contact: Get medical attention if any discomfort continues. Remove affected person from s

Eye contact: Remove any contact lenses from the eyes before rinsing, promptly wash eyes with

### 5. FIREFIGHTING MEASURES

Extinguishing media: This product is not flammable. Use fire-extinguishing media appropriate fo

Ingestion: never make an unconscious person vomit or drink fluids! rinse mouth thoroughly, ge

Hazardous combustion products: During fire, toxic gases (CO, CO<sub>2</sub>) are formed.

Unusual Fire & Explosion Hazards: No unusual fire or explosion hazards noted.

Specific hazards: The product is non-combustible. If heated, irritating vapours may be formed.

Special Fire Fighting Procedures: Avoid breathing fire vapours. Keep run-off water out of sewer:

Protective equipment for fire-fighters: Proper protective equipment including breathing apparat

### 6. ACCIDENTAL RELEASE MEASURES

Personal precautions: wear protective equipment and emergency procedures

Do not contaminate water sources or sewer.

### 7. HANDLING AND STORAGE

Avoid spilling, skin and eye contact.

Store in tightly closed original container in a dry, cool and well-ventilated place. Keep in original

Storage conditions: Store above 5°C and below 35°C

### 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Provide adequate ventilation. Observe occupational exposure limits and minimize the risk of inh

Use suitable protective gloves if risk of skin contact.

Wear safety goggles or face shield.

Use suitable protective gloves if risk of skin contact.

## **9. PHYSICAL AND CHEMICAL PROPERTIES**

---

- Nonionic

- Opaque white liquid

- pH 7-8

- Miscible with water

-Compatible with any other auxiliaries.

## **10. STABILITY AND REACTIVITY**

---

Stable under normal temperature conditions.

Avoid alkalis, strong acids and heat.

## **11. TOXICOLOGICAL INFORMATION**

---

Toxicological information: N/A

Other Health Effects: This substance has no evidence of carcinogenic properties.

Inhalation: In high concentrations, vapours may irritate throat and respiratory system and cause

Ingestion: May cause discomfort if swallowed.

Skin contact: Liquid may irritate skin.

Eye contact: Spray and vapour in the eyes may cause irritation and smarting.

## **12. ECOLOGICAL INFORMATION**

---

Toxicity: Avoid discharge into drains or the environment.

Persistence and degradability: The product is not readily biodegradable.

Bioaccumulative potential: N/A

Mobility in soil: Not considered mobile.

Results of PBT and vPvB assessment: This product does not contain any PBT or vPvB substances.

Other adverse effects: N/A

## **13. DISPOSAL CONSIDERATIONS**

---

Dispose of waste and residues in accordance with local authority requirements.

## **14. TRANSPORT INFORMATION**

---

Road Transport Notes Not regulated

Rail Transport Notes Not regulated.

Sea Transport Notes Not regulated.

Air Transport Notes Not classified.

## **15. REGULATORY INFORMATION**

---

Safety, health and environmental regulations/legislation specific for the substance or mixture

Statutory Instruments: The Chemicals (Hazard Information and Packaging for Supply) Regulation

Approved Code Of Practice: Classification and Labelling of Substances and Preparations Dangerous

Guidance Notes: Workplace Exposure Limits EH40. CHIP for everyone HSG(108).

EU Legislation: Regulation (EC) No 1272/2008 - amending and repealing Directives 67/548/EEC and
